Professional Summary

Passionate UX Engineer with a strong educational foundation and proficiency in design tools like Adobe Creative Suite and Figma. A dedicated team player and communicator, I aim to create intuitive user experiences. Leveraging my coding skills in C, C++, Java, Python, and front-end development with React, I'm seeking opportunities to make a meaningful impact in UX design.

Education

Stander X, Shri Saraswati Mandir High School, Ahmedabad

06/2020 - 03/2021

Computer Engineer | Diploma 3rd Year, RC Technical Institute, Ahmedabad

06/2021
